Important information :

- The files for which the numbers are shown in the table below have been transferred to an electrician.
- If your file number appears on this list, the electrician will contact you to schedule an appointment to replace your current thermostats with electronic thermostats.
- If you changed your phone number , it is important to call 1-866-266-0008 to update the phone number on your file.
- If the electrician cannot reach you, the thermostat installation may be postponed.
- If the electrician contacts you and you cannot be available on the day the electrician is in your area, the thermostat installation may be postponed.
- Thermostats belong to the building owner. If you are renting and moving out, thermostats should be left behind.
